Specifications & Technical Sheet

Duo Recycling - A "smart pod" designed to be used by 2 people and to be used for extended periods of time. With "DUO Recycling", we have developed a new concept that ensures the complete recycling of our acoustic booths. We maintain the same exacting standards in terms of quality and functionality. Our cabins are thoroughly cleaned and sanitized. We replaced all electrical materials, foams, fabrics, ceilings and carpets. We also correct any defects that may exist in the exterior coatings of the cabin. We do all this so that our cabins gain a new life and can contribute to a greener working environment.
